The Friendly Tennis Club

Spring 2004

Message from the President

Serving Up Great Tennis!

Moore Park Tennis Club's 2004 Season Opens Saturday April 24th with a Round Robin and Barbeque, from Noon to 3 p.m.

Come out and re-connect with tennis.

Bring your friends, bring your neighbours - in fact any and all would be players.

We are the Friendly Tennis Club!

We look forward to a warm and sunny tennis filled summer of 2004. Your Executive continues to work hard to make tennis even more fun at Moore Park Tennis Club.

This year we will return to our traditional practice of a single Pro who will take full responsibility for all tennis matters.

Our new Pro Sasha Gomelyuk is excited to be joining us this season. Sasha, a level 2 provincial coach, is looking forward to working (and playing!) with all of us.

👉 Sasha will offer individual and group lessons and clinics

👉 We will continue to refine the ladder system to increase participant satisfaction

👉 We will make some refinements in the junior program to enhance the experience for young members at all levels of skill and development.

👉 We have added a fourth team this year to provide more opportunities for members who are looking for that little bit extra.

👉 We will continue with the ever popular Round Robin socials every other Friday night as well as hosting the Wimbledon Day social

👉 Both Geoff and Sinead are returning as clubhouse attendants this summer.

👉 We continue to work on the new lighting project and hope to have all funding approvals in place by mid-year.

👉 We continue to develop the website (www.mooretennis.com) to make it more useful for members and visitors.

👉 In November 2003 the club was incorporated.

Our Opening Day Round Robin and BBQ will be held on Saturday April 24th, starting at noon. Opening Day presents a wonderful opportunity to re-connect with returning members and to meet new people.

We look forward to seeing you on the courts.

A Sad Loss

Moore Park Tennis Club player Judy Richardson died peacefully on Monday January 5, 2004 after a lengthy illness borne courageously. Judy will be sadly missed by many friends at Moore Park and elsewhere.

THE JUNIOR PROGRAM 2004

It's looking like another smashing season for juniors at Moore Park Tennis Club!

Junior Membership is a great way for kids and parents to enjoy the sport together. The only question is, who is actually better?

Our Junior Instructional Program, from April 24 to June 19, is available four days a week after school and on Saturdays. There are teams and matches as well as excellent teaching. This is how the pros start!

For information contact Chris De Santis at 416-545.1811 or chris@mooretennis.com

LIGHTING PROJECT : A STATUS REPORT

Your Executive Committee fervently wishes: let there be light! We have been working hard all winter with our neighbours and our elected representatives to try to arrive at a happy solution that will result in a new, improved and safer lighting system that will enhance everyone's summer enjoyment.

We are actively seeking funding and have incorporated as part of our grant application process.

PSSSST.....CAN WE TALK ABOUT PRIVACY?

You will notice a new box on your application. DON'T tick the box if you want your name to appear on our membership lists, in the clubhouse or on our contact feature on our web site.

Moore Park Tennis Club respects your privacy and will not use your personal information for any purpose other than to update OTA listings (we get the magazine and other privileges that way) and to enable members to contact one another - to play tennis, presumably, but it is your call!
