

Purchase of Junior Club Membership now required for participation in Moore Park Tennis Club Junior Programs:

You are receiving this email because your child was enrolled in a Junior Program with the Moore Park Tennis Club (MPTC) in 2021.

Starting in 2022, MPTC will require that children be club members to participate in Junior Programs. MPTC is now inviting you to purchase a junior MPTC membership for your child or children, which will enable them to sign up for Junior Programs with Club Pro Matt Baccarani next season. Once it is available, information on Matt's programs will be posted at <https://www.mooretennis.com/junior-programs-and-camps>

There are two types of junior MPTC memberships available. **Either** of these memberships would qualify your child to join any of the Junior Programs offered by our club.

Daytime Junior Membership

- \$35 for the season
- Access to **play** on Club courts (does not apply to lessons or camps):
 - **Weekdays** from **7am-5:59pm** inclusive, and

Use your assigned Court Reserve Non-member Guardian plan to purchase junior memberships online

As a non-member parent of a junior enrolled in lessons in 2021, you have been assigned a **Non-member** Guardian account on in MPTC's **Court Reserve** system, our membership and booking system. Your child or children have been put into a family grouping with you. You can use this account to purchase 2022 memberships for your children. Instructions are below.

Note: The Non-member Guardian plan does not give you any personal court booking rights, but allows you to book courts for play **on behalf** of any **member** child in your family. Your child's booking can also include you to play as a paying guest if desired.
